Bereavement

Bebitos Angelitos – Angel Babies of Hinds Hospice

Note: you must use MS Internet Explorer to view this site.

Based in Fresno, CA. Angel Babies is composed of a perinatal hospice program and a bereavement program. Perinatal hospice provides support and anticipatory guidance to families who have a baby diagnosed with a life limiting condition during pregnancy. The program assists families to both welcome and enjoy their baby and when necessary to say good-bye. Information discussed includes normal anticipatory grief reactions; birth planning; creating memories; including other children and family members; birth/death announcements; memorial/funeral service planning, visitations, and much more.
